WELCOME

On behalf of Smart Procurement World it is our great pleasure to extend the official invitation to the 11th Annual Western Cape Public Procurement conference.

This year, we shift our attention to the pivotal role of procurement in shaping resilient communities and fostering sustainable infrastructure in the Western Cape and beyond. Join us as we explore how procurement, through strategic practices and collaborative partnerships, can drive positive change and contribute to the growth of our local communities.

We eagerly anticipate the convergence of public sector procurement professionals, local economic development experts, and business stakeholders dedicated to advancing the economic landscape of the Western Cape.

This event promises once again to be a dynamic platform for collaboration, learning, and the forging of meaningful partnerships.

This event isn't just a meeting, in line with our stakeholders objectives the platform unites diverse business sectors, fostering connections that drive sustainable development.

Join us for an enriching experience, propelling the Western Cape towards a future of prosperity and development.

GEORGE SUPPLIER DAY

12 June 2024

Exciting news! Our Small Business and Supplier Event is happening alongside the public procurement talks at this year's Smart Procurement World/ESD Events.

It's a unique platform bringing businesses, corporations, and enterprise development stakeholders together, creating an environment for market access and business growth in the region.

With strong support from the George Municipality, dedicated to local economic development, this event is a testament to our commitment to uplifting small businesses.

As the largest initiative of its kind in South Africa, Smart Procurement World/ESD Events is proud to provide unmatched opportunities for small enterprises, paving the way for success through connections and sustainable practices.

Join us in shaping a future where businesses thrive and communities flourish!
